Copy No. 7

24 FEB 1961

The Honorable Eugene M. Zuckert  
Secretary of the Air Force  
Headquarters United States Air Force  
Washington 25, D. C.

Dear Mr. Secretary:

You will recall our pleasant luncheon with Mr. Dulles and General Cabell the afternoon of 2 February 1961 and the special briefing that took place immediately thereafter in Mr. Dulles' office.

At that time I mentioned to you that it was my intent to request that arrangements be made for us to have the continued services of Colonel Leo P. Geary, USAF, AFCIG-5, for another year, commencing in June of 1961, so that he might remain as our principal liaison officer in Air Force serving the interests of Project OXCARE/KEDLOCK.

I realize that to request such an extension for an officer who has been actively engaged in a Pentagon assignment for the length of time that Colonel Geary has is itself unusual; however, I believe this is one instance where continuity is essential in view of the complex tasks we are facing jointly with the Air Force in this activity.

I know I speak for General Cabell and the Director when I endorse the high quality of Colonel Geary's past services, and I hope his continuation in the capacity I have outlined will be speedily ensured.

Very truly yours,

(Signed) Richard M. Bissell, Jr.
